§ 39.110

vehicle is used to transport day students to and/or from home and the school.

§ 39.101 Purpose and scope.

The purpose of this section is to provide funds to each school for the round trip transportation of students between home and the school site.

§ 39.102 Allocation of transportation funds.

Transportation funds for FY 1980 shall be allocated to each school as follows:

(a) *Day students.* Funds shall be allocated to each school which provides daily transportation of students between the student's residence and the school site by the following formula:

(1) $180 \times (\$0.85 \text{ per basic transportation mile} + \$0.61 \text{ per transported student})$.

(2) The allocation shall be based on the daily average of transported students and basic transportation miles computed during the October and November count periods.

(3) This formula shall not apply to any dormitory which provides daily transportation between dormitory and the public school which the dormitory student attends.

(b) *Boarding school and dormitory students.* Funds shall be allocated to each boarding school and dormitory for the transportation of resident students according to the following criteria:

(1) For each student whose home is more than 1 mile and no more than 100 miles from the boarding school or dormitory, the school shall receive \$3.20 per mile per student per year. The miles per student shall be the shortest driving distance one way from the student's home to the school site. This provision applies only to those students for whom ground transportation is provided and for whom it is not necessary to provide air transportation.

(2) For each student whose home is more than 100 and no more than 350 miles from the boarding school or dormitory, the school shall receive \$1.60 per mile per student per year. The miles per student shall be the shortest driving distance one way from the student's home to the school site. This provision applies only to those students for whom ground transportation

is provided and for whom it is not necessary to provide air transportation.

(3) For each student whose home is more than 350 miles from the boarding school or dormitory, the school shall receive \$.48 per mile per student per year. The miles per student shall be the shortest driving distance one way from the student's home agency to the school site. This provision applies only to those students for whom ground transportation is provided and for whom it is not necessary to provide air transportation.

(4) For each student whose home is more than 350 miles from the boarding school or dormitory and for whom it is necessary to provide airplane transportation, the school shall receive \$.60 per mile per student flown per year. The miles per student shall be the actual one way air miles between the airport closest to the school site and the closest to the student's home. Airplane transportation shall be provided only when ground transportation is unavailable or not cost-effective.

(5) For each student attending Mt. Edgecumbe Boarding School, Sitka, Alaska, who requires airplane transportation, the school shall receive \$1.05 per mile per student flown per year. The miles per student shall be the one way air miles between the Sitka, Alaska airport and the airport nearest the student's home.

(6) At least 80% of the funds received by the school under (3), (4), and (5) above must be used for student travel between home and school.

§ 39.103 Annual transportation formula adjustment.

The Director will review transportation allotment factors each year and make changes in factors based on changes in transportation costs.
